Staff Interview

By: Maceon Pearson

I interviewed Mrs. Doughty and this is what I found out about her. She is an Intensive teacher who enjoys working with children. She also said, "I think it's going to be a very good school year." Mrs. Doughty's favorite movies are Forest Gump, Step Brothers, and Sweet Home Alabama. She loves to shop in her free time. As a child, her favorite subject was science. Mrs. Doughty's best moment in life was when her niece was born. I enjoyed interviewing Mrs. Doughty!

IAS Funny Hat Day

By: Isabel Woods

In the month of September we had Funny Hat Day. The kids were laughing and wearing hats. The students and staff were involved by wearing a funny hat. They felt good because other people laughed at their amazing funny hats. If you had the funniest hat in your classroom you won a prize. One of the first graders had a funny hat made out of balloons. In my classroom X-Zavion had the funniest hat and won a prize.

Movie Review "Cars"

By: Tyler Leach

In the movie "Cars" the main characters are Lightning McQueen, Mack, Dinoco, and Sally. The movie took place in Radio Springs. Before the race Lightning McQueen got lost. The fans found McQueen. Then McQueen got in a race and won. I think this was a great movie.

Football Club

By: Xavier Donald

In flag football, the students line up. Then all the students run up and the coach throws the ball. The students have to catch the ball. They, then, have to throw it back to the coach. Sometimes the coach throws the ball up in the air and makes it tricky to catch. Finally, the students divide into two groups, throwing the ball back and forth.

Basketball Club

By: De' Ja Johnson

In basketball club, Mrs. Ro taught the students how to play basketball. The students were shooting free throws and dribbling the ball. They seemed to enjoy playing basketball. Maybe someday, they will be in the NBA.
